

Post Guidelines for FB Group

Overview

Nepal Fights Corona - Help Group is an informal consortium of youths, activists, civil society organizations, experts of different fields formed in response to mitigating the risks of the global pandemic, COVID-19. The main goal of the group is to be proved as an effective helping hand to Government and support them in any way possible in their fight against COVID-19.

Currently, the group is working mainly in the areas of *Reliable Information Dissemination and Awareness, Provision of Medical Equipment and Supplies, Database on Quarantine Spaces, Technology-based solutions, and Counseling*. The group welcomes people from all sectors for better collaboration.

Guidelines

As a member of the group, it is important for all of us to act responsibly and cooperate to maintain the efficiency of this virtual platform. Please abide by the following guidelines to smoothen our operation:

- Only share information that comes from reliable sources. Please use hashtag **#nepalcoronanews** while sharing any important news posts related to the awareness of the virus.
- If you would like to ask any question, need your confusion to be solved or inquiries for help regarding logistics, please post it followed with hashtag **#nepalcoronaquery**
- When sharing important tips, suggestions or advice on prevention of the virus, please share it with hashtags **#nepalcoronaadvice #nepalcoronashare**
- For any other important and emergency help, please follow it with hashtag **#nepalcoronaemergency** so that prompt assistance can be provided.

NOTE

Any fake news can act as a rumor and can cause inconvenience to the people.

While these are trying times for us as a community, it is important that we realize the importance of social distancing right now. One individual's carelessness can amount to heavy consequences for many people. If you see or come across any large gatherings happening, you can help by sharing it with us.

For Admins and Moderators:

While approving posts, please be mindful of the following:

- Reject post immediately with any person or company's branding
- Try to first analyze the authenticity of the post by verifying the source once
- Try not to repeat posts with the same message or old news
- Avoid hesitating in deleting the old post once you found it to be fake later
- Make sure the hashtags have been followed before approving the posts
- Any NEWS post will be discouraged as the group doesn't want to be another news media except for the ones which might encourage innovation or a different approach that might help us to deal with or tackle the disaster.
- Any memes or cartoons will not be approved as the posts in the group.
